The price at which we are selling Dress Goods, Silks, and articles in our Dress and Silk Department has kept our store busy all the week. Our stock of Lace Curtains at 15 cents will last very little longer. Among the cheapest goods we are offering are the "Fond" Taffeta which we sell at 50 cents. The same class of goods at 75 cents are really beautiful.

We add today several lots of Black Silks at following prices: Good at 75; heavy weight at 90; extra, $1.00; heavy Gros Grain, $1.10; Satin Finish, $1.25; Sublime, $1.50.

And three lots Cut'd Silks at 75, 85, and 90 cents.

One lot Satins, 50 cents. All real bargains.

We offer another lot of Jersey Waists at $1.75, $2.00, and $2.50.

The hot weather has increased the sale of Wash Materials. Our styles in Ginghams are as good and the prices are so low that this department has been very active.
